

# Feather Flag

## Setup Instructions

### STEP 1

Connect the rods, starting with the thinnest rod and then adding the next size up, making sure that fit together snugly.

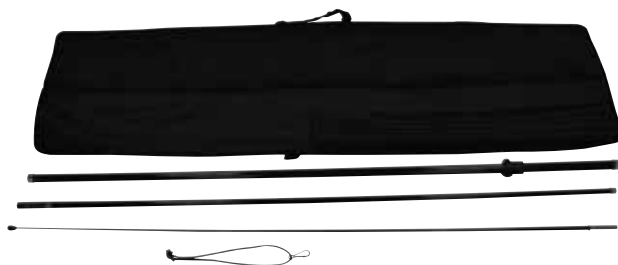

### STEP 2

Insert the rods into the banner side pocket. It is important to make sure that the rods are positioned to the top of the banner.

### STEP 3

Bring the shock cord through the grommet on the bottom of the banner. Secure the metal spring clip on the bottom of the banner to the anchor point on the bottom rod.

*Tip: If banner is too loose or too tight, adjust the anchor point up or down accordingly.*
