LIGHT BOXES

Go where no color has gone before

A portable array of pixel ladder lights are hung inside a durable aluminum SEG frame and covered by a static fabric graphic. The pixel lights are controlled via an integrated controller. Once assembled everything is plug and play, allowing for an easy change of LED animations. The SEG graphics are also easily swapped out, making the change in branding or product promotions economical.

Optional TV Mount - Holds up to 30lbs
(TV/Monitor not included)

- SEG Fabric Graphic
- Custom Full CMYK
- Fire Retardant

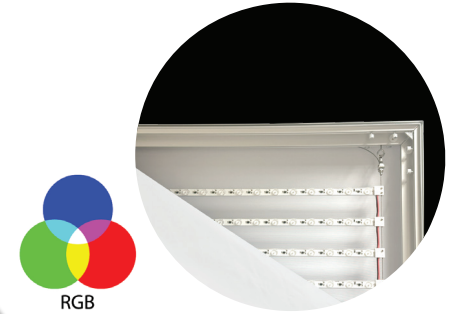

Portable, Convenient & Medium
Case Converts to Podium Table
