## About This Product

8ft Curved Pop-Up Display Graphic Package showcases classic lines and cutting-edge appearance. The DisplayStar Pop-up display series is made possible by the sturdy yet lightweight collapsible frame. The Pop-up frame has a user-friendly system of vertical magnetic struts and studs, allowing for seamless alignment of the panels.

This patented technology ensures that years from now your Pop-up will look as good as it did the day you bought it. One person can set-up the entire display in an about 10 minutes... and take it down even quicker! Our halogen lights are easy-to-install as well and feature 150 watt bulbs, making the perfect final touch for your message.

Aerial grid of 10' x 10' space
