About This Product

Our star fabric graphics are printed on a sturdy, wrinkle-resistant polyester fabric, and the durable, lightweight frame allows for easy set-up with no tools required. Simply expand the frame, attach the hooks, and your display is complete!

Your custom printed tension fabric graphic comes attached to the frame so that when it is expanded, it produces a smooth image.

The dye-sublimation process transfers your full color image directly and permanently to the fabric for a brilliantly impactful display solution for any trade show or event.
